It was only at that time that he was decent all of a sudden...

Rio
Have you seen my hair dryer?
You took it to your room yesterday.
Really... she's so careless.
Sorry!
You have to put it back after use!
?

So this guy was brave enough to go on a date with Rio...

Shouta! Over here!
Ah!
Ain't that Shouta...?
……
!

Well well, so everybody came here.
Of course! If you're not going to a festival during summer break, where else would ya go!
Shouta-kun, you and your friends should come together with us.
Is it okay?
No way! The boys should go over there!
A crowded festival is much more fun!
Don't ya think, Shouta?
Hey, knock it off!
giggle
……

It won't fall!
Shit!

I'm sorry.

Wait! Sayo!?
?
...thinks she's going to get some shaved ice after all.
Let's go, Rio-chan!
ehm...
Sayo..

I'm sorry Sayo... I guess I did something unnecessary.
No It's just... I don't like anymore misunder-standings.
Sayo...
But... I'm happy that Rio-chan is worried about Sayo.
Of course! I'm on Sayo's side after all!
eheh!
ah!

My hair ornament is out of place
It must have been when I pushed you. Sorry
Here a mirror
Thank you...
Hey why don't we go to the toilets after this?
To be honest, I've been holding it in ever since.
Saya?
Ro-chan is that...

No way!!
Why is it there!?
?
Rio-chan also has feelings for
This is from when I lured Shouta to expose his true nature!
It's a misunderstanding!
I knew it
I'm telling you it's not that!!
I'm sorry I'm going home

...so I would monopolize him?
Do you think I wanted to to take him away like that...
Sayo!!
!!
Ooh, there you are!

Come here!

It looks like it's going to rain, so we thought we should be going back.
Everybody was looking for you, you know.

Just come!
Hey! Where are you going?

Um... Don't tell me?

say,
what did you mean by it's because of me?
That doesn't concern you.
It's because you aren't clear about ways.
When I went shopping with you...
I'm going to be honest with you.
It does

I see... That was the reason...
Rio's behavior was weird anyways
Aren't you mad?
That pisses me off somehow...
Besides, Moreteko didn't work at all
...thanks...
Not really
You did it for Sayo's sake, didn't you?
What should I do, at a time like this
The rain is getting more intense... I'm worried about Sayo
